ABOUT ME

My name is Julie Orlando. I am in Year 12 completing senior secondary qualifications plus Certificate III in Visual Arts. I am one of ten students who have been chosen to complete this dual qualification as part of a trial which my school is running for the first time this year. The dual qualification includes the usual senior secondary study as well as a focus on all aspects of the Arts and Multimedia Industry. I get on well with other students and teachers. This year I have been elected to the Student Representative Council and we meet once a week with the Principal to discuss student issues and concerns. I take leadership roles on school open day and at school art exhibitions.

MY PLANNED CAREER PATHWAY

On completion of Year 12, I hope to gain entry into a Bachelor of Creative Arts and go on to work in the Arts and Multimedia industry which I really love.
